dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date,

is super easy to switch to, thanks to the new lever on the back of the camera and I certainly like it much more than the “Lv” button on other Nikon DSLRs. The bad thing about shooting video on the D3100, is that there is no proper exposure control while recording video, which means that you cannot fully control your aperture, shutter speed or ISO during movie
