Manual Transmission Fluid Application Guide

The NV5600 6-speed brings a new meaning to the term "light duty". In the past, we have only had available the Getrag 360 and the NV4500. Both 5 speed transmissions that had their own little idiosyncrasies. The NV5600, however, is a brute that appears to have the muscle it takes to get the job done.

Dodge NV5600 6-speed - Standard Transmission & Gear

The clutch slave cylinder on my 2006 Dakota x-cab 6 speed manual has been replaced 3 times since I have owned it in the past 6 months. . After looking at forums and blogs, I see this is common in standard transmissions for this truck. The part fails much without warning, and has been in city and interstate driving.
