### Doing Race In Social Studies

Racial formation theory, developed by sociologists Howard Winant and Michael Omi, frames race as an unstable, ever-evolving social construct that is tied to historical and political events. They assert that differing " racial projects " that seek to define race and racial categories are engaged in constant competition to give the dominant meaning to race.

### Race and Ethnicity in Sociology - ThoughtCo

In fact, it reinforces racial structures and accepts terms of racism by being passive and silent about racial knowledge. Instead we propose that social studies promote more anti-racist frameworks...

### (PDF) From Non-racism to Anti-racism in Social Studies ...

Because of the problems in the meaning of race, many social scientists prefer the term ethnicity in speaking of people of color and others with distinctive cultural heritages. In this context, ethnicity refers to the shared social, cultural, and historical experiences, stemming from common national or regional backgrounds, that make subgroups of a population different from one another.

### 10.2 The Meaning of Race and Ethnicity - Sociology

Again, race is a social construction, where societies generate informal or formal rules about what we see (i.e., perception) and how to act and treat others (i.e., discrimination).
