### His Other Half Men Looking

Start your review of His Other Half: Men Looking at Women Through Art. Write a review. Mar 25, 2008 Kathy rated it it was amazing. This is one of my favorite books of literary/cultural criticism. Lesser calls herself an "impressionistic critic," by which I think she means she calls 'em as she sees 'em.

### His Other Half: Men Looking at Women Through Art by Wendy ...

His Other Half] is a model of the kind of flexible, interdisciplinary culture criticism that is desperately needed to bridge the gap between the general reader and the academic ghetto. Lesser, moving with graceful ease from literature and art to photography and cinema, is concerned with the image of woman as refracted through male imagination...Wendy Lesser has made an important

Rather than take the high road, the writers and creators of Two and a Half Men decided to use the entire series finale to take shots at Charlie Sheen and poke-fun at how his antics uprooted the entire show. The result was an episode that centered around the premise that Charlie Harper was somehow still alive and was coming back to kill Alan and Walden for continuing the show without him.

It's completely normal for men to look at other women. It's also completely normal for women to have that visceral, emotional reaction when they catch their partner looking. It's completely natural to want to know why men look at other women, and what it means when a guy (maybe your boyfriend) looks at another woman. Allow me to explain...
