Make Sense | Definition of Make Sense by Merriam-Webster

Sensemaking or sense-making is the process by which people give meaning to their collective experiences. It has been defined as "the ongoing retrospective development of plausible images that rationalize what people are doing" (Weick, Sutcliffe, & Obstfeld, 2005, p. 409).The concept was introduced to organizational studies by Karl E. Weick in the 1970s and has affected both theory and practice.
