Law and Human Behavior

Human rights are norms that aspire to protect all people everywhere from severe political, legal, and social abuses. Examples of human rights are the right to freedom of religion, the right to a fair trial when charged with a crime, the right not to be tortured, and the right to education.

So by now we've all heard about the scandal with retired general and former head of the CIA, Gen. David Petraeus. Some of my European colleagues have noted that we can be a bit uptight in the U.S. when it comes to mixing business and personal, and that may be the case. However, as that is the culture in which
