Intern Guide - OnlineMedEd

"OnlineMedEd's Intern Bootcamp empowers medical students to proactively position themselves for success during residency by providing valuable tools and resources to help them become effective, confident residents and strong, dynamic internists.

Intern Bootcamp - OnlineMedEd | OnlineMedEd

As a young intern, there will be times when you feel lost. You have to realize early on that you're a part of something much bigger than yourself. You're surrounded by diligent and compassionate colleagues that share your goal of helping those in need. All in all, if you remember this and utilize your teammates, you'll prosper as an intern.

Clinical rotations can be an exciting time for medical students, but they can also be among the most stressful experiences in your education. Clinicals are a sign that you're in the home stretch of your medical studies, and they provide you with hands-on experience in a real healthcare setting.

Clinical Rotations Survival Guide | OnlineMedEd

The Intern Guide Book and the Quick Tables Book are great study tools for medical students. They succinctly provide you with a ton of well organized material. You have to fill in the blanks and annotate it just like any guide book. But if you are going to use OnlineMedEd then these books are essential as they go hand in hand with some of the videos.
