International Political Economy: The Struggle for Power ...

International political economy. International political economy studies problems that arise from or are affected by the interaction of international politics, international economics, and different social systems (e.g., capitalism and socialism) and societal groups (e.g., farmers at the local level, different ethnic groups in a country, immigrants in a region such as the European Union, and the poor who exist transnationally in all countries).

Political economy - International political economy ...

The field of international political economy has made significant progress over the last two decades, and this division—while useful as a pedagogic device—has become increasingly obsolete. To capture the most important work and current debates in the international political economy, we now highlight the analytic tensions between
