Kingcat was founded in Katikati, Bay of Plenty over 25 years ago. The aim then, as now is to design and build a range of ride-on mowers that stand apart from imported models by offering a long life, high productivity and low maintenance. They do have a website, perhaps you could use the "Contact" page on the site and ask for a manual.

Kingcat Blade & Belt Finder by kingcatparts - Issuu

If you have the Cheetah with the 700mm/28" cutter deck, blades are available - the GA Spares BLS3603 type. A Google on that part number will bring up a few sellers. The OEM type blades, P/No 750543 [flat] or 750556 [fluted] are still available in NZ, and these pages have the blade dimensions and pics;
