APRN practice is typically defined by the Nurse Practice Act and governed by the Board of Nursing, but other laws and regulations may impact practice, and other boards may play a role. For instance, in some states nurse-midwives are regulated by a Board of Midwifery or public health.

State Law and Regulation - American Nurses Association

Nurse leaders should develop an action plan for career mobility. The nursing education career ladder allows an individual to stay at one level or advance one step at a time to a higher level of education. For example, a practical/vocational nurse can set his or her initial goal to earn an associate degree in nursing to become an RN, with an ...

Leadership in nursing practice : Nursing made Incredibly Easy

Nurse leaders are professionally obligated to acknowledge the presence of workplace incivility, bullying, and violence and actively seek resolution. 4 If you're a nurse leader who's tolerated uncivil conduct by your staff members or if you've just been made aware of the presence of incivility on your unit, it isn't too late to change the work environment.
