Here is an updated version of the sdomain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Volunteer in your community, at a school, or at your place of worship. Spend time with friends and family. Use memory tools such as big calendars, to-do lists, and notes to yourself. Put your wallet or purse, keys, and glasses in the same place each day. Get lots of rest. Exercise and eat well. Don't drink a lot of alcohol.
