Unit Guide

This unit focuses on the action of major classes of biomolecules in biologically and medically relevant systems. Protein structure is related to function in contexts such as blood cells and extracellular matrix. The folding of proteins and the consequences of misfolding, as a cause of disease, are also explored.

Hello and welcome to my unit guide. This is the first part of it - covering infantry. Expect later to see, Cavalry and Artillery unit guide as well down below. There may be also a lot of changes in this post to reflect correcting mistakes, a little bit more going into detail etc. Ok, embrace for a lot of unnecessary text.

Zwirbaum's unit guide | Paradox Interactive Forums

I hope this guide will give an good overview and brief about the diffrent units and factions. This guide doesn't includes troop trees, because you can find them so many places. Just go at the mount and blade wiki and you will find a troop tree to each faction. Besides I haven't included everything

like a nord huscarl can beat a looter ...
