While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

Zombies are fictional creatures usually portrayed as reanimated corpses or virally infected human beings. They are commonly portrayed as anthropophagous in nature—labelling them as cannibals would imply zombies are still members of the human species, and expert opinions quoted in some of the films below, e.g. Dawn of the Dead, specifically state this is not the case.
