The Chronicles Of The Wars

Chronicles of the Old Republic is a historical article that was written by LucasArts for the now defunct Star Wars: Knights of the Old Republic II: The Sith Lords website. Its purpose was to provide background material for the game. The article documents the major events of the Old Republic era of galactic history, from the Great Hyperspace War to the opening skirmishes of the First Jedi Purge ...

Chronicles of the Siren War. By: ... The reality of the situation is that the current war demands more than just a girl who can control a warship. Men can already do that. Granted it takes hundreds or thousands, but that's something we know, something we can work with. If one man dies, another can fill his place.
