William Morris Textiles

William Morris (1834-1898), a founder of the British Arts and Crafts movement, sought to restore the prestige and methods of hand-made crafts, including textiles, in opposition to the 19th century tendency toward factory-produced textiles. With this goal in mind, he created his own workshop and designed dozens of patterns for hand-produced woven and printed cloth, upholstery, and other textiles.

William Morris Fabrics and Textiles
William Morris as a Craftsman. In his design career, William Morris produced textiles of several types, all emphasizing a return to hand-made values. He taught himself tapestry weaving, and - in the Victorian age of industrialization and mechanization - re-established hand-blocked printing for cotton and ...

William Morris Fabrics and Textiles | William Morris Wallpaper

Throughout his life, William Morris was fascinated by textiles and the techniques he needed to master to produce the effects he saw and admired in historical furnishings. Satisfying his need for a manual as well as an intellectual engagement with design, textiles also offered Morris the scope to develop his talent for pattern across a huge number of different products.

Collections - Morris Textiles

William Morris hand printed his early textile designs in the 1880s by reviving the old and notoriously difficult indigo discharge print method. Produced at his Merton Abbey workshops in South London, Morris favoured natural dyes, which faded evenly and aged beautifully. Today, the Morris & Co. archive provides an inexhaustible resource of patterns from which the studio create authentic
